

HELP US MOVE FORWARD!

The Parent Booster organization supports the class of 2022 largely by raising funds for senior year activities. Traditionally, extra money helps to decrease the cost of prom tickets. **So far, we raised \$2000. We need approximately \$45,000** for the customary events. Our first large fundraiser, a color run planned for June 1st, is cancelled due to lack of volunteers. Please take the survey below help us focus for the future planning and the budget.

Thank you for your input!
